Comments on the McAlpin information you sent me:

1. Able E. McAlpin, b. 1840's MS, m. Mary Ann Ainsworth
   Able was s/o John McAlpin and Elizabeth McNatt of Smith Co., MS

2. Alexander McAlpin, b. 1796 NC - d. 1867 NC, register of Caswell Co., NC
   He was s/o Daniel McAlpin and Isabella Munn of Cumberland Co., NC Alexander had known brothers Daniel, b. ca 1797, and John, b. ca 1799, both NC. We cannot locate them as adults. Did they died young? What became of them? I have no information as to what became of Daniel and Isabella. Alexander seemed to have lived all of his adult life in Caswell Co. He married several times. He M1 Charlotte Farley; M2 Mary Badgett; M3 Jane Jones

3. William McAlpin, will on 28 Oct 1747, Craven Co., NC. I have no other information. Wonder is he had any relatives here or if he came alone.

4. I have nothing on the Alpins or Alphins as I have never researched them. Could never determine if they had originally been M'Alpins/McAlpins or not.

5. Isaiah Warren m. 2nd Nancy McAlpin. I wonder if she was the widow of one Malcolm McAlpin who d. in Cumberland Co., NC leaving a widow Nancy

6. Duncan McAlpin, s/o Neil McAlpin & Margaret Little, m. Margaret McNeil
   I am fairly positive Duncan & Margaret moved to Hinds Co., MS and are there in the 1850 census. Duncan d. between 1850-1860, Hinds Co.. Feel sure he was the Duncan McAlpin, son-in-law, who wit. will of Margaret McNeil 1828 NC

7. I cannot identify the John McAlpin, 35 b. NC; Catherine Shaw, 40, b. NC in 1850 census of Robeson Co., NC

8. The Daniel McAlpine wit to will of Catherine Galbreath, 15 Sep 1814 in new information to me. I have heard, but have no proof, that John McAlpin m. Barbara Galbreath. John d. before 1805 leaving one dau. I think this Daniel is probably the brother of the John who died.

9. The will of Malcolm McAlpin, Sep 1831, wife Nancy, is driving me crazy. Four children moved to the WESTERN COUNTRY? Where is the western country? TN, MS, ARK? WHERE? What were their names? Where they male or female? When did they go? How old are the Malcolm and Daniel still with him? Are they living in his household or just living in the area? He names John Hare as his brother-in-law. Is John Hare the brother of Malcolm's wife Nancy or is he the husband of Malcolm's sister? I cannot find a McAlpin-Hare marriage. Did Nancy, the widow of this Malcolm, marry Isaiah Warren?

10. The Neill McAlpin, will dated 12 Mar 1824, married Margaret Little.
    Margaret Ann "Peggy" McAlpin who m. Jordan Holesworth Cobb, Robeson Co., NC, was d/o Neil and Margaret

11. Alexander McAlpin, s/o Neil & Margaret Little McAlpin, m. Mary McNatt. They divorced in GA ca 1844. I cannot find him after that date. Do not know what became of him or if they had children. Mary McNatt McAlpin m. 2nd. F. T. Medium. She d. in GA. Had 4 ch but I do not know names or by which husband

12. Daniel Henderson m. Sallie McBride, d/o Daniel McBride & Catherine (or maybe Christian) McAlpin. Migrated to Pulaski Co., GA 1807. Catherine or Christian McAlpin McBride had a bro Neil/Neal McAlpin who also went to Pulaski Co., GA. Neil m. Sarah Lancaster in 1818 in GA. Moved o Marion Co., MS & d. ca 1830. Widow Sarah McAlpin in 1830 census of Lawrence Co., MS
    Sarah may have been a 2nd wife but there was no issue of Neil. Estate records indicate nearest relatives were wife Sarah, and sister Christian McBride of GA. I do not know parents of Neil & Catherine/Christian.

They w Closely associa with th Thompso prob Related in NC, G MS.

I can identify many of the McAlpins you included but not all.

Dear Mrs. Edwards,

I am delighted to receive your McAlpine information. Thank you so much for your kindness and consideration in sending it. The information on Jesse McAlpine and Sarah Ann Jane Stringer is of most interest to me. Sarah McAlpin and her young son William Malcolm McAlpin are in the 1850 census of Jasper Co., MS. They both appeared in the Jasper County census through 1880. Sarah apparently never remarried but lived with her son and his family, probably until her death. She must have died between 1880 and 1900 as she appeared in the 1880 census but not in the 1900. The son, William Malcolm McAlpin, and his family are still found in Jasper Co. through 1910. I had never been able to determine the maiden name of Sarah nor learn the name of her husband, although I had suspected he might have been Jesse. These are not part of my family, but are still of much interest to me.

There was a John and Jesse McAlpin found in the tax records of Perry Co., MS, from 1823 until the 1840s. I believe them to be brothers and to be the same John as found in Smith Co., MS in 1840 and the same Jesse who married Sarah in Jasper Co., MS. My theory is that they came from Cumberland Co., N. C., but I have no proof. Neither do I know the names of their parents and siblings. A lady here in Huntsville descends from the John McAlpin of Smith Co., MS. He and Jesse both died before the 1850 census. We have not been able to learn anything about John before he was in Smith Co. ca. 1838. I have just called her and she is going to try to check the Perry Co. records for additional clues. John McAlpin and his descendants will be included in my book. It would be great if we could find information on his parents and siblings before the book is completed.

The J. C. McAlpin in Sumter Co., AL in 1840 was part of my family. He was Jefferson C. McAlpin from Georgia to Alabama to Mississippi to Texas. The Peter McAlpin was from Scotland. He never married and is buried in the Griffin cemetery in Perry Co., MS. As far as I know he did not have relatives here.

I have a vast collection of McAlpin(e)/McCalpin/McColpin/McCoppin/etc. information, but I still have many, many unanswered questions. When I answer one question it seems that I raise two more.

My earliest known McAlpin ancestor was Alexander McAlpin, who was a Lieutenant in the South Carolina militia by 1757. He served as a Captain in the Revolutionary War. He moved around for awhile before settling in Abbeville County, S. C. After the war, he moved to Wilkes County, Georgia, where he died in 1790. He left a wife, six sons and six daughters. The first section of my book will be on Alexander and his descendants. The last section will be on other McAlpin(e) families about whom we have detailed information.

My Sewells, Wingates and Whitleys were from N. C. My Jones, Griffins, Smiths, Roberts, Moores, and McAlpins were from S. C. My Beauchamps and Whaleys came from Maryland to Georgia immediately following the Revolution.

Where did you find my query? Did you get the information on Jesse and Sarah from county records or from a published genealogy?

Enclosed is a stamp for you. Any and all McAlpin(e)/McCalpin/McCappen/etc. information is always welcomed. Thank you again.

Sincerely,

Doris McAlpin Russell

Dear "Cousins",

Are you interested in your family history? If so, please read this letter and let me hear from you as soon as possible. Are you descended from any of the following McAlpin(e)s-McCalpines: Alexander, Alonzo, Angus, Archibald, Andrew, Alfred, Barnett, Benjamin, Blanton, Charner, Charles, David, Daniel, Donald, Duncan, Edward, Floyd, Frank, George, Henry, James, Jefferson, John, Joseph, Michael, Malcolm, Patrick, Robert, Roderick, Samuel, Solomon, Thomas, Virgil, Walter or William? These are some of the early men, their children and their descendants who will appear in the book.

After over fifteen years of researching McAlpin, McAlpine, McCalpin(e), and other varied spelling of the name, I am preparing a book on the history and genealogy of these families from 1700 to present. This book is being written about the McAlpin(e)s, for the McAlpin(e)s, and by a McAlpin. It will trace McAlpin(e) families in almost every state from the immigrant ancestor down to the early 1900's, or in many cases, to present date. My McAlpin ancestor was in South Carolina and Georgia by the 1700's, but descendants live in almost every state today. We are searching for these descendants as well as other McAlpin(e)s. This will NOT be a "list of names and addresses" but an in depth genealogy of individual McAlpin(e) families.

With your interest and help we will be able to publish an outstanding historical book, a book that all McAlpin(e)s everywhere will be proud of, a monument to the past, present, and future generation of our family. The book will be eight inches by eleven inches, hardbound, and indexed. We project at least 600 to 700 pages with pictures, as 500 pages have already been written. It is a labor of love on my part and my concern is preserving the genealogy of these families for posterity. When completed the book will be available to anyone who is interested. Whether or not you wish a copy of the book we still want to include you as well as your ancestor and his descendants. There is no charge to be included.

We have very extensive information on many families and a little on others, but there are still some for whom we have nothing. There is no other book of this type in print on the McAlpin(e) families. In fact, there is very little in print on the name. The New York City Public Library has already placed an order for a copy when it is published. We need your help to make this book as complete as possible for all McAlpin(e) families. Let us include your family from *your* earliest known ancestor to present, if possible.

Please pass a copy of this along to others in *your family or to anyone* else who is a McAlpin(e)-McCalpin descendant or is interested in the name. Thank you. I look forward to hearing from you soon.

Sincerely,

Doris McAlpin Russell
